To whom it may concern

We had the pleasure of having Mr. Rimshon address our Senior Division students. Mr. Rimshon is both a knowledgeable and captivating speaker. He knew exactly at what level to pitch the material. The students were enthralled by his knowledge and mesmerized by his presentation.

I would most definitely recommend Mr. Rimshon as a guest speaker. His breadth and depth of knowledge are very impressive. He relates well to students and they in turn respond with interest. Mr. Rimshon is able to enrich and enhance learned material as well as expose the students to new and interesting details. We hope he will come to speak to us again next year.

Please feel free to contact me if you have any questions.
